

DRAFT FOR DISCUSSION PURPOSES

WORK ORDER 2007-09

Contract Task Area: 1-4

Effective Date: Aug 3, 2007

Project: Net Energy Analysis

Task Area Objective: To develop methods to implement the Net Energy Analysis provisions of Public Act 07-242, Section 54 (g) for electric generation facilities over 65 MW.

Work Scope: La Capra Associates scope of this work will include:

1. Developing a white paper and bibliography on Net Energy Analysis for electric generation;
2. Informational presentation to the CEAB on Net Energy Analysis.
3. Prepare a net energy analysis methodology proposal to serve as a basis for a Request for Written Comment on the Net Energy Analysis Methodology;
4. In support of the CEAB, issue a Request for Written Comment, conduct a public meeting, and prepare a final recommendation for the Net Energy Analysis Methodology for consideration by the CEAB.

Personnel: Mon Fen Hong will be the Project Manager for this Work Order. The additional personnel currently expected to be assigned to this activity will be Dan Peaco, Heather Hunt and John Athas. Additional staff personnel can be deployed as necessary to support this effort.

Task Management and Approval: The CEAB's Agency Staff Working Group (ASWG) will direct the activities undertaken through this Work Order. The La Capra Associates team will coordinate all activities with the ASWG. All recommendations for tasks to be performed by La Capra Associates under this work order will be communicated to the Board by the ASWG for Board consideration and approval. This does not preclude La Capra Associates from communicating with Board members individually, but will ensure that tasks undertaken under this work order are only with the approval of the full Board.

Schedule: The work specified under this work order is to be conducted in the period Aug e, 2007 to June 30, 2008.

Cost: CEAB will be invoiced for actual time incurred in accordance with the fee schedule included in the Agreement. The maximum funding level for services rendered under this work order shall not exceed \$ 25,000.00 without further authorization from the CEAB.

All terms and conditions of the Agreement shall apply to this Work Order
