

## **RPS Webinar**

As part of its discussion on Connecticut RPS Policy Objectives, the Connecticut Energy Advisory Board Renewable Portfolio Standards Sub-Committee invites you to attend a webinar on the Connecticut RPS. This webinar, entitled "Connecticut's RPS Policy Report: A Common Starting Point", is intended to present a factual foundation on the current status of Connecticut's Renewable Portfolio Standard policy. With this background, participants in the CEAB's RPS Report Stakeholder Process will be better prepared to have a well-informed, grounded and focused conversation about the future of the CT RPS.

The webinar will be hosted by Bob Grace of Sustainable Energy Advantage, LLC., and will include:

### **Background:**

- An overview of Renewable Portfolio Standards and Renewable Energy Credits;
- State RPS Experience;
- RPS Design Elements and RPS Best Practices;
- RPS Policy Evolution in Connecticut.

### **CT RPS:**

- The CT RPS policy, context and experience to date
- Factors influencing future RPS design choices
- Framing the issues and choices presenting themselves at this point in time.

The webinar will take place on Monday, April 4, 2011 from 1:30 to 3:00. Advanced registration is required. Note that space is limited to 100 attendees, so please register early.

For those unable to attend, a recorded version of the webinar will be made available on the CEAB web site.
